Reason: Metrc Will be Holding In-Person Training Classes by License Type.		

Greetings Metrc Users,

The Metrc team will be holding two days of in-person user training on August 13th and 14th. These classes will be advanced trainings for active Grower, Processor, and Provisioning Center license holders. Trainings will be held in the 1st Floor Auditorium at the G. Mennen Williams Building, 525 W Ottawa St, Lansing, MI 48933. The MRA strongly recommends that an employee from each business entity is in attendance for the training. The training schedule will be as follows:

August 13th, 2019

- 9AM-12PM Advanced Grower Training (Limit of 50 people and each business can have a maximum of three employees attend)
- 1PM-4PM Advanced Processor Training (Limit of 50 people and each business can have a maximum of three employees attend)

August 14th, 2019

- 9AM-12PM Advanced Provisioning Center Training (Limit of 50 people and each business can have a maximum of two employees attend)
- 1PM-4PM Advanced Provisioning Center Training (Limit of 50 people and each business can have a maximum of two employees attend)

**Please note that there will be a requirement that every employee planning to attend the advanced training sessions must have previously completed the Metrc New Business class.*
